LEADERSHIP • INFLUENCE • PERSPECTIVE

## Companies can become members of HR Alliance DC through our Organizational Membership!

### Testimonial

“As an early-career professional, my HR Alliance membership has created opportunities for me to share what initiatives we're doing at Serco, while also gaining insights from HR professionals with similar roles and passions. We've been able to send employees from teams across our business to in-person and virtual events, allowing us to maximize our impact across the business as well as our organizational membership.”
